Genevieve N. Johnson Senior Daycare Center Awarded FY2024 Lead Agency Grant by Bowser Administration and DACL for Ward 4

Washington, DC, August 15, 2023 — Genevieve N. Johnson Senior Daycare Center (gnjseniordaycare.com) is proud to announce its selection as the Lead Agency for Ward 4 in the Fiscal Year 2024 Lead Agency Grant program. This esteemed grant, awarded by the Bowser Administration and the Department of Aging and Community Living (DACL), reflects the Center's commitment to enhancing the lives of senior citizens aged 60 and older through crucial social services, information resources, nutrition assistance, and other impactful senior-focused initiatives.

The Genevieve N. Johnson Senior Day Care Center, affectionately known as the GNJ, has been entrusted with the role of leading this significant endeavor. With a steadfast dedication to adult care, GNJ focuses on fostering moments of joy and enriching the lives of senior community members.

Thelma Burless, Executive Director of the GNJ Senior Daycare Center, expressed her excitement about this significant achievement: "On behalf of our devoted staff, cherished seniors, caregivers, and our broader community, we are thrilled to have been chosen as the recipient of the FY2024 Lead Agency Grant. Our ongoing mission centers on delivering exceptional programs and services to Washington, DC's senior citizens. This collaboration with DACL and our Ward 4 Community underscores our commitment to advocating for and serving our exceptional seniors. Over the past four decades, we have consistently delivered top-notch programs, and now, as the lead agency for Ward 4, we look forward to expanding our impact and sharing our positive energy with an even wider audience."
